B. & C. bevels & panels e. K. - Charly Ose

www.bevels.eu

B. & C. bevels & panels bietet Ihnen mit diesem Katalog eine der umfassendsten Kollektionen an Glasfacetten und Facettenbildern in einer ausgezeichneten "Qualität made in China" an. China hat gerade in diesem Bereich in Sachen Fertigungs-Know-How und Qualität mit Europa und Taiwan gleichgezogen. Diamantscheiben zum Schleifen der Bevel und Cluster sind selbstverständlich.

Der sehr enge Kontakt zwischen B. & C. bevels & panels und seinen Fertigungsbetrieben ermöglicht die vorliegende Kollektion, welche sowohl eine Auswahl von klassischen als auch modernen Designs umfaßt. Dadurch kann eine nahezu unerschöpfliche Auswahl für fast alle Einsatzbereiche angeboten werden. Somit wird der Entwicklung, dass gerade Glasfacetten als Gestaltungselement in Fenstern und Türen immer beliebter geworden sind, Rechnung getragen.

Die auf den folgenden Seiten gezeigten Glasfacettenelemente und Facettenbilder lassen sich untereinander so kombinieren und anordnen, dass immer wieder völlig neue Gestaltungsmöglichkeiten entstehen, so dass die Auswahl von Designs für die Gestaltung von Glasflächen in Fenstern und Türen, Glasdecken, Spiegeln, hinter leuchteten Bildern usw. nahezu unerschöpflich werden.

In den letzten Monaten haben wir eine verstärkte Nachfrage nach solchen Gestaltungselementen verzeichnet, weshalb wir uns ständig bemühen, diese vorliegende Palette zu erweitern und zu ergänzen, um so den heutigen Anforderungen für die Gestaltung von Glasflächen gerecht zu werden. So sind wir auch in der Lage, relativ kurzfristig Sonderanfertigungen und ausgefallene Wünsche unserer Kunden zu realisieren.

Grafische Darstellungen:

Alle abgebildeten Facetten und Facettenbilder sind je nach Originalgröße im Maßstab 1:5 oder 1:10 dargestellt (siehe Angabe unten auf einer Seite), so dass die Auswahl der Elemente für einen Gestaltungsentwurf wesentlich vereinfacht ist. Die Maßangaben beziehen sich immer auf das kleinste umschreibende Rechteck, sofern im Artikel nicht anders angegeben. Einzelelemente sind in den jeweiligen Tabellen erläutert. Trotz größter Sorgfalt bei der Erarbeitung der Grafiken und dieses Kataloges können Fehler nicht ausgeschlossen werden, weshalb wir keinerlei Gewährleistungen und/oder Haftung für Darstellungen, Maßangaben, Bezeichnungen usw. übernehmen können.

Serviceleistungen

Die vorliegenden Abbildungen liegen grundsätzlich als Vektor-grafik vor und können gegen ein geringes Entgelt als maßstabsgerechte Vektorgrafik oder Pixelgrafik erworben werden. Auf Anfrage erhalten Sie von uns auch einen 1:1 - Zeichnung. Selbstverständlich erarbeiten wir Ihnen auch einen kompletten Gestaltungsentwurf mit entsprechendem Ausdruck nach Ihren Vorstellungen oder entsprechend Ihrer Vorgabe.

Sollten Sie eigene Designs für Facetten und/oder Facettenbilder wünschen, so teilen Sie uns dies bitte mit, bei technischer Machbarkeit setzen wir Ihr Design auch um.

Danksagung

Wir bedanken uns bei allen Personen, welche durch ihre Hinweise, Vorschläge und Bemerkungen an diesem Katalog mitgewirkt haben. Scheuen Sie sich bitte auch in Zukunft nicht, uns auf Fehler hinzuweisen und/oder Verbesserungen im Layout mit uns gemeinsam vorzunehmen.

With this catalogue **B. & C. bevels & panels** offers you one of the most comprehensive bevel and cluster collections in an excellent quality "Made in China". It is particularly in this area that China has moved alongside Europe and Taiwan, in respect of production expertise and quality. Diamond discs, for the grinding of the bevels and clusters are matter-of-fact.

The very close contact between B. & C. bevels & panels and this production plants has enabled this collection, which comprises a selection of both classical and modern designs, as a result of which an inexhaustible range exists for virtually all applications. This correlates with the increasing popularity of bevels as a design element in windows and doors.

The bevels and clusters presented on the following pages can be combined and arranged to create constantly new designs so that the choice of designs for glass surfaces in windows and doors, glass ceilings, mirrors, back-lit pictures etc. is virtually inexhaustible.

In recent months we noted an increased demand for such design elements, which is why we are constantly working at extending and supplementing this range, to meet the current requirements for the design of glass surfaces. As a result, we are also in the position to realise custom-made items and creative wishes of our customers at short notice.

Graphic display:

All bevels and clusters are displayed on a scale of 1:5 or 1:10 (see information at the bottom of page), so that the choice of elements for a design is rendered significantly easier. The measurements always relate to the minimum bounding rectangle, unless indicated otherwise in the article. Individual elements are explained in the respective tabs. Despite applying the utmost caution in developing the graphics and this catalogue, errors cannot be excluded, which is why we are unable to issue guarantees and/or accept liability for displays, measurements, terminology etc.

Services

On principle, the images are available as vector graphics and can be purchased as a true-to-size vector graphic or pixel graphic against a small fee. on request we can also provide you with 1:1 drawing. Naturally we can also create a complete design with the corresponding print-out in accordance with your ideas or your details.

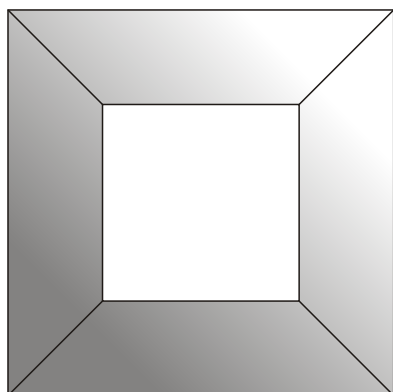

Please let us know if your own designs for bevels and/or clusters; if technically feasible, we are happy to realise your design.

Acknowledgement

We wish to thank everyone who provided notes, suggestions and comments, this assisting in establishing this catalogue. Please feel free to continue pointing out any mistakes to us in the future and/or to realise any improvements of the layout in cooperation with us.

Bestellhinweise/Ordering information

Ausführung	Discription	Bestellcode/ Ordering code
Kante 2,5 mm	Edge 2,5 mm (standard)	PZ-304
Kante 1,8 mm	Edge 1,8 mm (= 1.8)	PZ-304-1.8
Farbe grau	Color grey (= gr)	PZ-304-gr
Farbe blau	Color blue (= bl)	PZ-304-bl

Spiegel	Mirror (= m)	PZ-304-m

Standard design

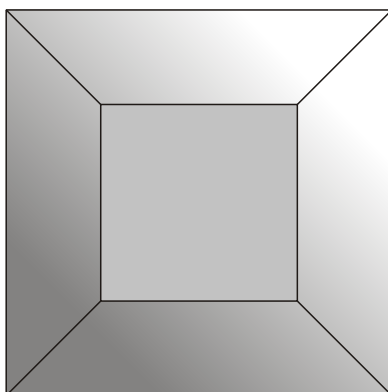

Floatglas/s 5 mm klar/clear

Kante/edge 2,5 mm poliert/polished

Facette 12,7 mm poliert/

Bevel ½ inch polished

Nummer/Code: SLB-22

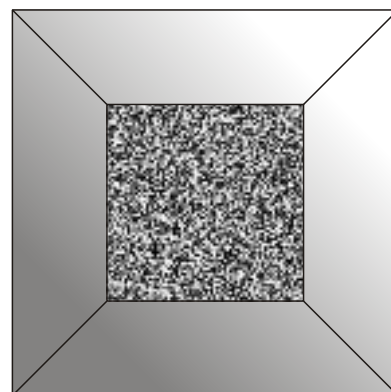

Satiniert/Frosted

Wie Standard, jedoch von klaren Facetten umgebene Flächen vollständig satiniert

Glazed as standard, however the area surrounded the clear bevel completely frosted

Nummer/Code: SLB-22-fr

Eisblume/Glue chip

Wie Standard, jedoch von klaren Facetten umgebene Fläche vollständig in Eisblumenglas

Glazed as standard, however the area surrounding the clear bevels completely finished in glue chip

Nummer/Code: SLB-22-gc

Facettenelemente mit 1,8 mm-Kante sind für die Verwendung mit Farbfilmen und selbstklebenden Bleibändern entwickelt worden.

Bevels with an edge of 1,8 mm were developed for use with colour films and self-adhesive lead/tape.

Nummer/Code: SLB-22-1.8

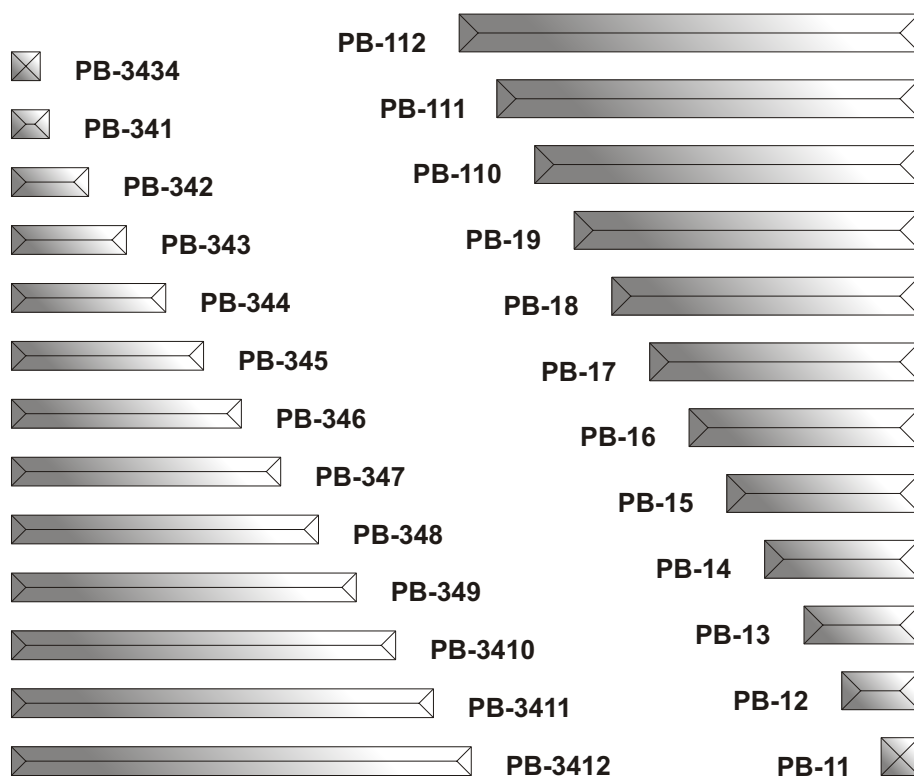

Achtung: Verarbeitungshinweis

Die in diesem Katalog angegebenen Maße (mm / zoll) sind ca. Maße. Alle Maße beziehen sich auf die Verarbeitung mit Bleiruten.

Wenn Sie Kupferfolie / UV - Verklebung verarbeiten, sind evtl. Anpassungen notwendig.

UV-Kleben / UV-Glue

UV - LA 3
Handstrahler UVA-HAND 250
 leistungsstarke Handlampe für kurze
 Aushärtezeiten Abstrahlfläche 7 x 16 cm
 mit Schwarzglasfilterscheibe

UV - LA 1 mit UVA-16
2-Röhren-Schwarzlichtlampe
 für kleine bzw. kurze Klebefläche
 und guter Lichtdurchlässigkeit
 Länge ca. 26 cm

UV-TEK
Professioneller
Glasreiniger
600 ml

Ein hochwirksamer,
 schnellwirkender
 Reiniger, welcher
 hervorragend
 streifenfrei reinigt.
 Anwendbar auf Glas,
 Spiegeln und anderen
 glatten Oberflächen

CONLOC 901
Reiniger+Entfetter
400 ml

für Metall, Glas, Keramik
 und Gummi
 Der ideale, immer saubere
 Gebrauchsentsfetter für
 Werkstatt und Betrieb - für
 Handwerk, Hobby und
 Montage
 Absolut porentiefe
 Reinigungswirkung bei
 einfachster Anwendung
 durch Besprühen der
 Oberfläche

EGO Silikon
Typ 110 - glasklar
310 ml

für die Verklebung von
 rahmenloser Aquarien,
 Glaskonstruktionen und
 gleichartigen
 Anwendungsgebieten;
 für hohe optische und
 mechanische Ansprüche
 bei Glasverbindungen;
 VSG-verträglich,
 seewasserbeständig, sauer
 vernetzend, dauerelastisch

UV - 116 (200 gr.)
 für plane Flächenverklebung
 dünnflüssig, hohe optische Reinheit

UV - 410 (200 gr.)
 für plane Verklebungen mit hoher Festigkeit
 flüssig, gute optische Reinheit

UV - 700 (200 gr.)
 für plane Verklebungen mit hoher Festigkeit
 dünnflüssig, sehr gute optische Reinheit

UV - Fusing (200 gr.)
 für Verklebungen von Fusinggläsern
 flüssig, gute optische Reinheit

UV - 651 (100 gr.)
Glas/Glas; Glas/Metall
 für plane Flächenverklebung
 dünnflüssig, sehr hohe optische Reinheit

UV - 665 (100 gr.)
Glas/Glas; Glas/Metall; Glas/Holz
 für plane Verklebungen mit hoher Festigkeit
 flüssig, gute optische Reinheit

UV - 682 (100 gr.)

NICHT UV-BESTÄNDIG!

Hinweis:

Die Halteschraube beim 75 Watt Kolben und die Überwurfmutter bei den 100 W und 200 W-Kolben müssen regelmäßig gelöst werden. Die Lötspitzen sollten dabei einmal herausgenommen werden. Lötspitzen im heißen Zustand mit einem gut angefeuchteten Reinigungsschwamm säubern.

Tips zum Löten

Dauerlötspitzen sollten immer mit Lot überzogen sein. Sie werden sonst passiv und nehmen kein Lot mehr an. Ist dies der Fall, so muss die Spitze wieder aktiviert werden. Dazu wickelt man etwas Lötdraht um die kalte Spitze und heizt anschließend auf. Die Prozedur muss unter Umständen mehrmals durchgeführt werden.

Tips zur Sicherheit

Sie sollten beim Löten auch an Umwelt und Gesundheit denken! Neben der Gefahr von Verbrennungen durch den heißen LötKolben gibt es zwei weitere Punkte, die Sie beachten sollten:

- 1 Flußmitteldämpfe sind gesundheitsschädlich und müssen aus der Atemzone ferngehalten werden. Sorgen Sie stets für eine ausreichende Belüftung am Arbeitsplatz.
- 2 An den Händen haftende Bleispuren könnten über Lebensmittel oder Zigaretten in den menschlichen Organismus gelangen. Deshalb beim Löten nicht essen, trinken oder rauchen.

HINT:

The holding screw for the 75 W soldering irons and the retaining nut for the 100 W and 200 W soldering irons must be removed regularly. Additionally, the solder tips should be removed once. Soldering tips should be well cleaned while hot with a moistened cleaning sponge.

Tips for Soldering

Continuously heated tips should always be covered with solder. Otherwise, they become unusable and cannot accept the solder any longer. Should this occur, the tip must be reactivated. In order to accomplish this, wind some soldering wire around the tip when it is cold and then heats up it. It may be necessary to repeat this procedure several times.

Tips for Safety

You should also be environmental and health conscious while soldering! In addition to the danger of burning by the hot soldering iron, there are by the hot soldering iron, there are two further points which you should keep in mind:

1. Flux fumes are dangerous to your health and must be kept away from breathing zones. Always provide sufficient ventilation in the work place.
2. Lead residue from the hands can easily be transferred from food or cigarettes into the body. Therefore, there should be no eating, drinking and smoking while soldering.

LÖTGERÄTE / SOLDERING IRONS**WELLER - Hobbykit 2 Glaskunstkolben****75 Watt, 230 V, 50 Hz, mit Lötspitze / with soldering tip SG 10**

Ein sicherer, leichter LötKolben für Tiffany-Glaskunst. Mit der speziell entwickelten Longlife-Lötspitze mit 45° Winkel lassen sich sehr schnell dekorative Glasbilder, Schmuckkästchen und -lampen herstellen. In der Verpackung befindet sich ein praktischer Ablagehalter und eine Gebrauchsanleitung.

Allgemeine Lieferungs- und Zahlungsbedingungen der Firma B. & C. bevels & panels - Schwelm

§ 1 Geltung der Bedingungen

Die Lieferungen, Leistungen und Angebote der Firma B. & C. bevels & panels (nachfolgend B. & C.) erfolgen ausschließlich auf Grundlage dieser Allgemeinen Lieferungs- und Zahlungsbedingungen. Diese gelten somit auch für alle künftigen Geschäftsbeziehungen, auch wenn sie nicht nochmals ausdrücklich vereinbart werden. Spätestens mit der Entgegennahme der Ware oder Leistung gelten diese Bedingungen als angenommen. Gegenbestätigungen des Käufers unter Hinweis auf seine eigenen Geschäfts- bzw. Einkaufsbedingungen werden hiermit ausdrücklich widersprochen.

§ 2 Angebot und Vertragsschluss

- (1) Die Angebote von B. & C. sind freibleibend und unverbindlich. Annahmeerklärungen und sämtliche Bestellungen bedürfen zur Rechtswirksamkeit der schriftlichen Bestätigung durch B. & C., es sei denn, dass die Bestellung innerhalb einer Frist von 14 Tagen ausgeführt wurde.
- (2) Zeichnungen, Abbildungen, Maße, Gewichte oder sonstige Leistungsdaten sind dann nur verbindlich, wenn diese ausdrücklich schriftlich vereinbart werden.
- (3) Mündliche Nebenabreden oder mündliche Zusicherungen sind unwirksam, bzw. Bedürfen der Schriftform.

§ 3 Preise

- (1) Wir berechnen die am Tag der Lieferung gültigen Preise in EURO zuzüglich der jeweiligen gesetzlichen Umsatzsteuer. Sofern nicht anders schriftlich vereinbart, hält sich B. & C. an die in den Angeboten enthaltenen Preise 30 Tage ab Angebotsdatum gebunden. Ansonsten sind die in den Auftragsbestätigungen von B. & C. genannten Preise zuzüglich der jeweiligen gesetzlichen Umsatzsteuer maßgebend. Zusätzliche Lieferungen und Leistungen werden gesondert berechnet.
- (2) Die Preise verstehen sich, falls nicht anders vereinbart, ab Lager Schwelm und zwar ohne Kosten für Verpackung, Transport und Transportversicherung. Verpackung wird zu Selbstkosten berechnet, ebenso die vom Spediteur berechnete Palettentauschgebühr, sofern notwendig.
- (3) Für Aufträge bis € 50,00 netto Warenwert berechnen wir einen Mindermengenzuschlag von € 5,00.

§ 4 Lieferzeiten

- (1) Liefertermine oder -fristen, die verbindlich oder unverbindlich vereinbart werden können, bedürfen der Schriftform.
- (2) Lieferverzögerungen auf Grund höherer Gewalt und auf Grund von Ereignissen, welche B. & C. die Lieferung nicht nur vorübergehend wesentlich erschweren oder unmöglich machen (wie insbesondere Streik, Aussperrung, behördliche Anordnungen usw., auch wenn sie bei Lieferanten und/oder Unterpelieferanten von B. & C. eintreten), hat B. & C. auch bei verbindlich vereinbarten Fristen und Terminen nicht zu vertreten. Sie berechnen B. & C., die Lieferung um die Dauer der Behinderung zuzüglich einer angemessenen Anlaufzeit hinauszuschieben oder wegen des noch nicht erfüllten Teils ganz oder teilweise vom Vertrag zurückzutreten.
- (3) Wenn die Behinderung länger als drei Monate dauert, ist der Käufer nach angemessener Nachfristsetzung berechtigt, hinsichtlich des noch nicht erfüllten Teils vom Vertrag zurückzutreten. Verlängert sich die Lieferzeit oder wird B. & C. von der Verpflichtung frei, so kann der Käufer hieraus keine Schadensersatzansprüche herleiten. Auf die genannten Umstände kann sich B. & C. nur berufen, wenn der Käufer unverzüglich benachrichtigt wird.
- (4) Sofern B. & C. die Nichteinhaltung verbindlich zugesagter Fristen und Termine zu vertreten hat oder sich in Verzug befindet, hat der Käufer Anspruch auf eine Verzugsentschädigung in Höhe von 0,5 % für jede vollendete Woche des Verzuges, insgesamt jedoch höchstens bis zu 5% des Rechnungswertes der vom Verzug betroffenen Lieferungen. Darüber hinausgehende Ansprüche sind ausgeschlossen, es sei denn, der Verzug beruht auf grober Fahrlässigkeit von B. & C..
- (5) B. & C. ist zu Teillieferungen jederzeit berechtigt, es sei denn, eine Teillieferung ist für den Käufer nicht von Interesse.
- (6) Die Einhaltung der Lieferverpflichtungen von B. & C. setzt die rechtzeitige und ordnungsgemäße Erfüllung der Verpflichtungen des Käufers voraus.
- (7) Kommt der Käufer in Annahmeverzug, so ist B. & C. berechtigt, Ersatz des entstandenen oder entstehenden Schadens zu verlangen. Mit Eintritt des Annahmeverzugs geht die Gefahr der zufälligen Verschlechterung und des zufälligen Untergangs auf den Käufer über.
- (8) Die Versand- und Verpackungskosten für Nachlieferungen gehen grundsätzlich zu Lasten des Bestellers, sofern nichts anderes ausdrücklich schriftlich vereinbart wurde.

§ 5 Gefahrübergang

Die Gefahr geht auf den Käufer über, sobald die Sendung an die den Transport ausführende Person übergeben worden ist oder zwecks Versendung das Lager von B. & C. verlassen hat. Wird der Versand auf Wunsch des Käufers verzögert, geht die Gefahr mit der Meldung der Versandbereitschaft auf ihn über.

§ 6 Rechte des Käufers wegen Mängel

- (1) Die Produkte werden frei von Fabrikations- und Materialmängeln geliefert. Konstruktions- oder Formänderungen oder Abweichungen im Farbton stellen keinen Mangel dar, sofern der bestimmungsgemäße Gebrauch und der Wert der Produkte davon nicht beeinträchtigt wird. Die Frist für die Geltendmachung von Mängelansprüchen beträgt ½ Jahr ab Lieferung der Produkte.
- (2) Werden Gebrauchsanweisungen von B. & C. nicht befolgt, Änderungen an den Produkten vorgenommen, Teile ausgetauscht oder Verbrauchsmaterialien verwendet, die nicht den Originalspezifikationen entsprechen, so entfallen Ansprüche wegen Mängel der Produkte, wenn der Käufer eine entsprechende substantiierte Behauptung, dass erst einer dieser Umstände den Mangel herbeigeführt hat, nicht widerlegt.
- (3) Der Käufer ist verpflichtet B. & C. Mängel unverzüglich, spätestens jedoch innerhalb einer Woche nach Eingang des Liefergegenstandes schriftlich mitzuteilen. Mängel, welche auch bei sorgfältiger Prüfung innerhalb dieser Frist nicht entdeckt werden, sind B. & C. unverzüglich nach Entdeckung schriftlich mitzuteilen.
- (4) Im Falle einer Mitteilung des Käufers über solchen Produktmangel, verlangt B. & C. dass das mangelhafte Produkt zur Ersatzlieferung an B. & C. geschickt wird und/oder der Käufer das mangelhafte Produkt bereithält. Für den Fall, dass der Käufer verlangt, dass Nachbesserungsarbeiten an einem von ihm bestimmten Ort vorgenommen werden, kann B. & C. diesem Verlangen entsprechen, wobei ausgetauschte Teile nicht berechnet werden, während Arbeitszeit und Reisekosten zu den Standardsätzen von B. & C. zu bezahlen sind.
- (5) Schlägt die Nachbesserung nach angemessener Frist fehl, kann der Käufer nach seiner Wahl Herabsetzung der Vergütung verlangen oder vom Vertrag zurücktreten.
- (6) Eine Haftung für normale Abnutzung ist ausgeschlossen.
- (7) Ansprüche wegen Mängel gegen B. & C. stehen nur dem unmittelbaren Käufer zu und sind nicht abtretbar.

§ 7 Eigentumsvorbehalt

- (1) Bis zur Erfüllung aller Forderungen (einschließlich sämtlicher Saldoforderungen aus Kontokorrent), welche B. & C. aus jedem Rechtsgrund gegen den Käufer jetzt oder künftig zustehen, werden B. & C. die folgenden Sicherheiten gewährt, welche sie auf Verlangen nach ihrer Wahl freigeben wird, soweit ihr Wert die Forderungen nachhaltig um mehr als 20% übersteigt.
- (2) Die Ware bleibt Eigentum von B. & C.. Verarbeitung oder Umbildung erfolgen stets für B. & C. als Lieferant, jedoch ohne Verpflichtung für B. & C.. Erlischt das (Mit-) Eigentum von B. & C. durch Verbindung, so wird bereits jetzt vereinbart, dass das (Mit-) Eigentum des Käufers an der einheitlichen Sache wertanteilmäßig (Rechnungswert) auf B. & C. übergeht. Der Käufer

verwahrt das (Mit-) Eigentum von B. & C. unentgeltlich. Ware, an der dem Verkäufer (Mit-) Eigentum zusteht, wird im Folgenden als Vorbehaltsware bezeichnet.

- (3) Der Käufer ist berechtigt, die Vorbehaltsware im ordnungsgemäßen Geschäftsverkehr zu verarbeiten und zu veräußern, solange er nicht in Verzug ist. Verpfändungen oder Sicherungsübereignungen sind unzulässig. Die aus dem Weiterverkauf oder einem sonstigen Rechtsgrund (Versicherung, unerlaubte Handlung) bezüglich der Vorbehaltsware entstehenden Forderungen (einschließlich sämtlicher Saldoforderungen aus Kontokorrent) tritt der Käufer bereits jetzt sicherungshalber in vollem Umfang an B. & C. ab. B. & C. ermächtigt ihn widerruflich, die an B. & C. abgetretenen Forderungen für dessen Rechnung im eigenen Namen einzuziehen. Diese Einziehungsermächtigung kann nur widerrufen werden, wenn der Käufer seinen Zahlungsverpflichtungen nicht ordnungsgemäß nachkommt.
- (4) Bei Zugriffen Dritter auf die Vorbehaltsware, insbesondere Pfändungen, wird der Käufer auf das Eigentum von B. & C. hinweisen und diese unverzüglich benachrichtigen, damit B. & C. die Eigentumsrechte durchsetzen kann. Soweit der Dritte nicht in der Lage ist, B. & C. die in diesem Zusammenhang entstehenden gerichtlichen oder außergerichtlichen Kosten zu erstatten, haftet hierfür der Käufer.
- (5) Bei vertragswidrigem Verhalten des Käufers – insbesondere Zahlungsverzug – ist B. & C. berechtigt, vom Vertrag zurückzutreten und die Vorbehaltsware heraus zu verlangen.

§ 8 Zahlung

- (1) Soweit nicht anders vereinbart, sind die Rechnungen von B. & C. 30 Tage nach Rechnungsstellung ohne Abzug zahlbar. B. & C. ist berechtigt, trotz anders lautender Bestimmungen des Käufers Zahlungen zunächst auf dessen ältere Schulden anzurechnen, und wird den Käufer über die Art der erfolgten Verrechnung informieren. Sind bereits Kosten und Zinsen entstanden, so ist B. & C. berechtigt, die Zahlung zunächst auf die Kosten, dann auf die Zinsen und zuletzt auf die Hauptleistung anzurechnen.
- (2) Eine Zahlung gilt erst dann als erfolgt, wenn B. & C. über den Betrag verfügen kann. Im Falle von Schecks gilt die Zahlung erst als erfolgt, wenn der Scheckbetrag dem Konto von B. & C. gutgeschrieben ist.
- (3) Gerät der Käufer in Verzug, so ist B. & C. berechtigt, von dem betreffenden Zeitpunkt ab Zinsen in Höhe von 8 Prozentpunkten über dem Basiszinssatz als pauschalen Schadensersatz zu verlangen. Sie sind dann niedriger anzusetzen, wenn der Käufer eine geringere Belastung nachweist; der Nachweis eines höheren Schadens durch B. & C. ist zulässig.
- (4) Wenn B. & C. Umstände bekannt werden, welche die Kreditwürdigkeit des Käufers in Frage stellen, insbesondere ungedeckte Schecks oder eingestellte Zahlungen, oder wenn B. & C. andere Umstände bekannt werden, welche die Kreditwürdigkeit des Käufers in Frage stellen, so ist B. & C. berechtigt, die gesamte Restschuld fällig zu stellen, auch wenn Schecks angenommen wurden. B. & C. ist in diesem Falle außerdem berechtigt, Vorauszahlungen oder Sicherheitsleistung zu verlangen.
- (5) Der Käufer ist zur Aufrechnung, Zurückbehaltung oder Minderung, auch wenn Mängelrügen oder Gegenansprüche geltend gemacht werden, nur dann berechtigt, wenn die Gegenansprüche rechtskräftig festgestellt worden oder unstreitig sind. Zur Zurückbehaltung ist der Käufer jedoch auch wegen Gegenansprüchen aus demselben Vertragsverhältnis berechtigt.

§ 9 Patente, Urheberrechte, Marken

- (1) B. & C. wird den Käufer und dessen Abnehmer wegen Ansprüchen aus Verletzungen von Urheberrechten, Marken oder Patenten freistellen, es sei denn, der Entwurf eines Liefergegenstandes stammt vom Käufer. Die Freistellungsverpflichtung von B. & C. ist betragsmäßig auf den vorhersehbaren Schaden begrenzt. Zusätzliche Voraussetzung für die Freistellung ist, dass B. & C. die Führung von Rechtsstreiten überlassen wird und dass die behauptete Rechtsverletzung ausschließlich der Beschaffenheit der Liefergegenstände von B. & C. ohne Verbindung oder Gebrauch mit anderen Produkten zuzurechnen ist.
- (2) B. & C. hat wahlweise das Recht, sich von den in Abs. 1 übernommenen Verpflichtungen dadurch zu befreien, dass sie entweder die erforderlichen Lizenzen bezüglich der angeblich verletzten Patente beschafft und/oder b) dem Käufer einen geänderten Liefergegenstand bzw. Teile davon zur Verfügung stellt, die im Falle des Austausches gegen den verletzenden Liefergegenstand bzw. dessen Teil den Verletzungsvorwurf bezüglich des Liefergegenstandes beseitigen.

§ 10 Haftung

- (1) Schadensersatzansprüche sind unabhängig von der Art der Pflichtverletzung, einschließlich unerlaubter Handlungen, ausgeschlossen, soweit nicht vorsätzliches oder grob fahrlässiges Handeln vorliegt.
- (2) Bei Verletzung wesentlicher Vertragspflichten haftet B. & C. für jede Fahrlässigkeit, jedoch nur bis zur Höhe des vorhersehbaren Schadens. Ansprüche auf entgangenen Gewinn, ersparte Aufwendungen, aus Schadensersatzansprüchen Dritter sowie auf sonstige mittelbare und Folgeschäden können nicht verlangt werden, es sei denn, ein von B. & C. garantiertes Beschaffenheitsmerkmal bezweckt gerade, den Käufer gegen solche Schäden abzusichern.
- (3) Die Haftungsbeschränkungen und -ausschlüsse in den Absätzen 1 und 2 gelten nicht für Ansprüche, die wegen arglistigen Verhaltens von B. & C. entstanden sind, sowie bei einer Haftung für garantierte Beschaffenheitsmerkmale, für Ansprüche nach dem Produkthaftungsgesetz sowie Schäden aus der Verletzung des Lebens, des Körpers oder der Gesundheit.
- (4) Soweit die Haftung von B. & C. ausgeschlossen oder beschränkt ist, gilt dies auch für deren Angestellte, Arbeitnehmer, Vertreter und Erfüllungsgehilfen.
- (5) B. & C. behält sich Änderungen an den Angeboten aufgrund technologischer Produktionsabläufe oder anderer verwendeter Materialien ausdrücklich vor.
- (6) Da Irrtümer bei den abgebildeten Angeboten trotz sorgfältigster Arbeit nicht ausgeschlossen werden können, kann der Besteller grundsätzlich keine Haftungsansprüche aus falschen Angaben und/oder Darstellungen geltend machen.

§ 11 Ergänzende Liefer- und Zahlungsbedingungen für Exportgeschäfte

- (1) Alle Lieferungen ins Ausland erfolgen EXW Lager Schwelm. Der Versand erfolgt nur per Nachnahme, Vorkasse, COD oder LC. Die damit verbundenen Kosten trägt der Käufer.
- (2) Für Warenlieferungen unter einem Warenwert von € 250,00 erhebt B. & C. eine Bearbeitungsgebühr von € 25,00.

§ 12 Datenschutz

Der Käufer erklärt sich damit einverstanden, dass alle aus der Geschäftsverbindung stammenden Daten auf Datenträger aufgezeichnet werden. Die von B. & C. aufgezeichneten Daten dürfen nicht Dritten zugänglich gemacht werden.

§ 13 Anwendbares Recht, Gerichtsstand, Teilnichtigkeit

- (1) Für diese Geschäftsbedingungen und die gesamten Rechtsbeziehungen zwischen B. & C. und dem Käufer gilt das Recht der Bundesrepublik Deutschland.
- (2) Soweit der Käufer Kaufmann, juristische Person des öffentlichen Rechts oder öffentlich-rechtliches Sondervermögen ist, ist Wuppertal ausschließlicher Gerichtsstand für alle sich aus dem Vertragsverhältnis unmittelbar oder mittelbar ergebenden Streitigkeiten.
- (3) Sollte eine Bestimmung in diesen Geschäftsbedingungen oder eine Bestimmung im Rahmen sonstiger Vereinbarungen unwirksam sein oder werden, so wird hiervon die Wirksamkeit aller sonstigen Bestimmungen oder Vereinbarungen nicht berührt.
